

Receive virtual card and credit card details the smart, secure way.

Leading travel management and payment partners integrate with Sertifi, giving travel professionals an easy, PCI-compliant way to send you guest payment and booking information. On the receiving end, all it takes is signing up for a **free Sertifi e-confirmations portal** or turning it on from your existing authorizations portal.

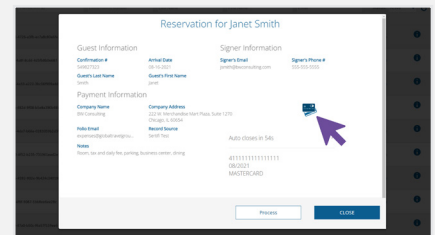

Viewing payment information is as easy as one, two, three.

Log into your Sertifi portal and click on e-Confirmations.
